Dear Chief Master Ott:

I hereby congratulate you on organizing yet another event where true martial artists can gather in the spirit of brotherhood to advance their knowledge of Korean martial arts. With Instructors such as: Grand Master Ken MacKenzie, Chief Master John Godwin, and others presenting their arts, participants just can't go wrong. I personally have enjoyed a number of your events, and the treatment that I enjoyed was nothing short of Royal.

I am ever so glad that you again invited me to be part of an awesome opportunity to share the art of Kong Shin Bup™ with your guests, and I encourage serious martial artists of all ranks to attend this gathering. I am sure that school owners who bring their students will see a tremendous surge of enthusiasm in their own schools when they return home. In fact, it amazes me that many school owners do not realize events such as the Super Summer Seminar are a great way for them to instill new vigor and enthusiasm in their schools. Believe me folks, you can't go wrong!
