Letter of Recognition and Support

I am very please to recognize Chief Master Robert Ott of the Flowering Warrior Enterprises, LLC. His dedication and support of the Korean Martial Arts has made him not only a leader, but a "Mover and Shaker" in the martial arts community. He is known for hosting outstanding events and bringing great talent together.

The 2011 Super Summer International Korean Martial Arts Seminar, August 17-21, will no doubt be one the best event of the year. The opportunity to train with, talk with and take away a piece of the knowledge with some of the world's highest ranked and skilled martial artist. It is my pleasure as Founder and Leader of the House of Discipline Martial Arts Group to fully endorse and support this great event.

With the Talented Staff, Special Guest Instructors and Keynote Speaker, I am sure that this will be a very successful event and I send my best wishes and congratulations.

In Martial Spirit,

Signed by:

James W. McMurray
